

CAAR 2005 registration.

In order to process a **credit card payment**, the University treasurer insists a handwritten signature is indispensable. It is also best if the document is dated, near the signature.

Registrants wanting to send their form through **email** must scan the completed form and send it as an attachment. Addresses are claude.julien37@wanadoo.fr and caar2005@univ-tours.fr.

Attachments can carry viruses.

To avoid any virus-related incident, another way to send signed registration forms is a **fax machine**. The following number can be used from abroad: (+33) 247 366 676 [from France: 02 47 36 66 76]. Always include a cover page mentioning my name and CAAR.

Thank you for your help.

Sincerely yours,
Claude Julien.
