

## **CAAR 2005 registration.**

Please read the following carefully.

In order to process a **credit card payment**, the University treasurer insists a handwritten signature is indispensable. It is also best if the document is dated, near the signature.

Registrants wanting to send their form through **email** must scan the completed form and send it as an attachment. Addresses are [claude.julien37@wanadoo.fr](mailto:claude.julien37@wanadoo.fr) and [caar2005@univ-tours.fr](mailto:caar2005@univ-tours.fr). Your messages will be printed out and then erased from my computer

Attachments can carry viruses.

To avoid any virus-related incident, another way to send signed registration forms is a **fax machine**. The following number can be used from abroad: (+33) 247 366 676 [from France: 02 47 36 66 76]. Always include a cover page mentioning my name and CAAR.

A letter to my address as written on the form below is also perfectly fine and secure.

Thank you for your help.

Sincerely yours,  
Claude Julien.
